A Prayer for America: Father, we beg Your blessing for the Right to Life, the Unborn, the weak, the sick and the old; all who are finding themselves being targets of the vicious culture of death; that our Lord Jesus bless and protect all who stand up for the Christian dignity of persons. That God enlighten those who are traveling down death's highway by their involvement, in any way, with either the contemporary death culture, selfishness, relativism, or any of the new age errors of our times, that God envelop our culture with His Divine protection and help us both individually and as a nation to true enlightenment, conversion and repentance of ourselves and our culture. Help us to turn from our national sin of abortion, and return to, and once again become a Christian nation, on the narrow road, that is, the path to becoming a nation and culture, under God. Amen.

**EPARCHIAL FAMILY DAY RETREAT ON SUNDAY, NOVEMBER 17, 2019 IN ST. BASIL SEMINARY IN STAMFORD, CT. THE
RETREAT IS OPEN TO ALL FAMILIES.**

As we know, the family unit is the best place to provide for the proper emotional, moral and spiritual development of children, and is the building block for loving parish communities and strong societies in general. The Holy Family of Nazareth composed of Joseph, Mary and the child Jesus, united in mutual love and support, is the model of the perfect family that we should strive to emulate.

Today however, the secure and loving family unit is being threatened on all sides, perhaps as never before. Parents are often at a loss as to how to defend themselves and their families from this onslaught, and pastors are often hard pressed to offer proper aid and advice. To help you and the families of your parish in addressing this situation, the Eparchy of Stamford is pleased to be sponsoring an Eparchial Family Day Retreat on Sunday, November 17, 2019 in St. Basil Seminary in Stamford, CT. The retreat is open to all families.

I ask you to encourage the families of your parish to take part in this one day retreat. At St. Basil Seminary they will find an oasis of prayer, a place of learning and a chance to meet, share and grow' with other families of the Stamford Eparchy.

How to adore God in the silence of your home

Adoration is a form of prayer that can be performed anywhere and doesn't require a church building.

Often when Catholics think of adoration, they envision kneeling before the altar in church and adoring God present in the Holy Eucharist. While that may be one of the most effective ways to adore God, most Catholics never get the chance to enter a church building during the week and can't spend extra time in church on Sunday.

In reality a prayer of adoration can be performed anywhere, in a church or in your living room. The key is to know what adoration is and how to engage in this type of prayer.

The *Catechism of the Catholic Church* explains that "**Adoration is the first attitude of man acknowledging that he is a creature before his Creator.** It exalts the greatness of the Lord who made us and the almighty power of the Savior who sets us free from evil. Adoration is homage of the spirit to the 'King of Glory,' **respectful silence in the presence of the**

'ever greater' God. Adoration of the thrice-holy and sovereign God of love blends with humility and gives assurance to our supplications" (CCC 2628).

Adoration at its most essential element is a recognition that God is God and we are not. This type of prayer acknowledges the wonder and beauty of God and how his protective hand is over all creation. St. Ignatius of Loyola provides a simple way to perform an act of adoration in his *Spiritual Exercises*. *A step or two before the place where I am to contemplate or meditate, I will stand for the space of an Our Father and, with my consciousness raised on high, consider how the Lord my God looks upon me. Then I will make an act of reverence or humility.*

We often forget that God is everywhere, not only in the church building. He is constantly at our side and looking upon us with kindness and mercy. When we realize this simple fact, we can adore God anywhere we are and recognize his loving presence.
